

**EC Certificate of Factory Production Control  
0432-CPD-229868**

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

**Flexible sheets for waterproofing – Plastic and rubber damp proof sheets including plastic and rubber basement tanking sheets according to the specifications given with the enclosure**

placed on the market by

**Carlisle Construction Materials GmbH  
Schellerdamm 18  
D-21079 Hamburg**

and produced in the factory

**Carlisle Construction Materials GmbH  
Eisenacher Landstrasse 70  
D-99880 Waltershausen**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0432 – MPA NRW – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**DIN EN 13967: 2012-07**

were applied.

This certificate was first issued on 18<sup>th</sup> January, 2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Dortmund, 21<sup>st</sup> January 2013

  
Dipl.-Ing. Julia Çiçekli  
Deputy Head of Certification Body

*This certificate of factory production control comprises of 1 page and 1 enclosure.*
